

# SUMMER MUSIC CAMP 2020

## HOME ART SUPPLIES

3-4 sharpened pencils

1 eraser

White drawing paper

Coloured construction paper

Glue Stick

White glue bottle

Coloured markers

Pencil crayons

Paint box & brushes

Scissors

I'm hoping these are just things you can gather from around your house. Check all those school supplies that came home! If not, these should all be available inexpensively at a local store. Please gather these in a box you can have ready and waiting when the course starts on July 6.

## THINGS TO GATHER:

- 7-10 straight twigs, 6 – 12" long
- A couple of Y shaped twigs, about the same length
- Lengths of different coloured yarn, twine and/or ribbon
- 4 cups (glass or ceramic, but not plastic)
- 4 Straws (plastic, paper or metal will do)
- String (any colour)

## THINGS TO BUY (GROCERY STORE OR DOLLAR STORE):

- Bubble solution
- Dish detergent (Dawn is best)
- Package plain (not coloured) craft sticks (the ones that look like popsicle sticks)
- Feathers (craft section dollar store)
- Optional: craft beads with large holes (that yarn and string can fit through)
- 6-10 white or pale colour sheets of manilla or card stock (or cut up file folders!)

**SPACE NEEDED:** Table or desk (cleared) with space close by for supplies. Surface should be covered with plastic or newspaper.

I am really looking forward to this new adventure with your children! If you have any questions about the supplies, please email me at [bxenis10@gmail.com](mailto:bxenis10@gmail.com) .

**ART SUPPLIES BY DAY:**

(with the possibility of some shifting around)

Always have the basic home art supplies at hand.

Monday	Drawing paper	
Tuesday	Bubble solution (with dish detergent added)***, food colouring, 4 cups, card stock paper	
Wednesday	Straight twigs, yarn and/or ribbon, string	
Thursday	Straight twigs, Y-shaped twigs, yarn, ribbon, feathers, optional beads	
Friday	Plain craft sticks, string	

\*\*\* Mix up about a cup of regular bubble solution with 1/4 cup dish soap.
